CONGRATULATIONS!!!!

YOUR SITE HAS WON THE BEST UFO SITE OF 1997 (1ST PLACE)

PLEASE READ THIS ENTIRE MESSAGE

We would like to go ahead and tell you that UFOMIND will win the BEST UFO SITE of 1997. THIS SITE MOST DEFINITELY deserves this award. The award is actually supposed to be rewarded to UFOMIND December 31st, but we are letting you in on the secret early. All we ask is that you put up the graphic (enclosed in this message) on the exact URL:

<http://www.ufomind.com/>

You may also stick the graphic anywhere else you like on UFOMIND, but you must put it on your front page for at least one month. You must also make the graphic a link to the exact URL:

<http://www.ccmsi.com/ufohome/>

Please view the award, but please, don't put it on your site until December 31st.

If you do not wish to agree with what we ask for, please tell us and we will have to go and find another site to give this great award to, sorry!

Let us know if you agree, or disagree with putting the graphic to the front page of your site, making a link of that graphic and having the link send browsers to UFO HOME <http://www.ccmsi.com/ufohome/>

Here Is A Tip:

The Link You Make To Us Can Be An Open New Window Link, If You Like

Best wishes for UFOMIND,
