## New "Print Reference" Feature in Ufologist Pages

From: [campbell@ufomind.com](mailto:campbell@ufomind.com) (Glenn Campbell, Las Vegas)

Subject: New "Print Reference" Feature in Ufologist Pages

A mechanism is now in place to refer to standard print references -- like Good's "Above Top Secret" and Clarks's "UFO Encyclopedia." -- in individual ufologist pages.

See Kenneth Arnold at <http://www.ufomind.com/ufo/people/a/arnold/> and Bob Lazar at <http://www.ufomind.com/ufo/people/l/lazar/>

For each person, there is a list of the books they are mentioned in along with the relevant page or chapter number. Each book should be a "primary" reference on this person or their claims: providing new information not found elsewhere.

The books listed must be offered in our catalog. (Among other things, this might help boost book sales, which are pretty slow. Hits on the site are enormous, but not many people buy things to support it.)

Only I can make this change, but it is quick and easy. It takes much longer to look up the references, which I don't have time to do right now.

If you want me to add any of these references to a ufologist page, all I need is the catalog product code of the book and the relevant page numbers. In addition to the page number, short descriptions can be added if appropriate. ("Dismissive" for example to describe Friedman's take on Lazar.)
