"There are a few grisly murders that have taken place in the area to add to the air of mystery. One was that of the old priest Jean-Antoine-Maurice Gelis. Toward the end of his life he became a paranoid hermit and recluse; the only person he would admit to his presbytery was his niece, to bring him food. Despite his absurd precautions, someone surprised him on All Saints' Eve in 1897, bashed him with some fire tongs, delivered four blows from an ax, and then reverently laid the corpse on the ground with the hands crossed over the chest. Whoever it was ransacked the room, but took no money. A team of researchers found three corpses in Sauniere's garden in 1956, all of them shot. Were they World War II victims? Or something else..?"

Regarding "The Holy Grail" - Latest First

### The Real Holy Grail

The vessel brought by Joseph to Glastonbury containing whale oil for the anointing of kings of Israel went to Strata Florida Abbey and thence to Nanteos. It is now safe in a bank vault. Three sisters own it. It is made of olive wood and can be dated. Whale oil never breaks down and can be tested. It may be waiting to anoint the King of the World...

### The Holy Grail is in Montserrat, Spain

The great master of Gnose, Samael Aun Weor, always said that the Holy Grail, many years ago, was putted in fourth dimension in a temple also in fourth dimension in Montserrat, Spain, near Barcelona. Some years ago, a great friend of mine was there and in a deeply meditation could see with the heart's eyes that it's true. The Grail was putted in fourth dimension to protect it from the bad men that always wanted it because of its power. Go there and comprove it if you can.

### [The Grail, Politics, and Paranoia](#)

Many bizarre theories abound about the Holy Grail and exactly what it is. What is sorely lacking in all of this, is original research. Most speculation that we see on the subject of the Grail is nothing new. The Bloodline theory, however, received a significant vote of approval from the Royal House of Stewart when HRH Prince Michael wrote the forward to Sir Laurence Gardner's "Bloodline of the Holy Grail." Gardner's book was new and significant. A key indicator in all this is the success or failure of the European monarchist movement.

### [Jesus Survived the Crucifixion](#)

If Jesus was truly the Son of God, he would have the "powers" of God as well, including immortality. The crucifixion was a ceremony of suffering in order to cleanse humanity from its sin...it was necessary and I love him for loving us so much, but the blood stains on the Shroud could only have been made if Christ survived the crucifixion!!! He is at the Priory church in Rennes-la-Chateaus waiting for the time when we will need him most, or the time when nobody believes collectively that he will return at THAT EXACT MOMENT...prepare for his coming! It will be a great occasion!!!!
