[Home Security](#)

We are available to train or help in the selection of home security dogs. In our own Country Australia the Government has taken away our right to own firearms and is now well on the way to outlawing the training of personal protection dogs. We are therefore making ourselves available to you, to help in what ever way we can to make your home or premises safe. for more information please email me or visit our site that is listed below. We are not greedy , we only want to work. Kind regards Puddy.
