Limited?

The human mind (as well as anything) is only as limited as one makes it...

Jet Contrails

Have you ever seen the jet contrails in the sky. Most people have seen them but think they are harmless exhaust vapors from a jet, well they are wrong. I have been doing a lot of research on the matter and found that the contrails are part of Weather Control and possibly population control. They are everywhere in the world. There isn't too much information on the web about it, so if anyone has any information please e-mail me!!
Thank You John

I Know the Truth about what is out There

Every telephone you call, every TV show you watch has subliminal messages in it. I am not paranoid. From this message you only see one side of me. I am a flat character. But it is true they come in through static, almost silent sounds, and pixels moving to make words in the TV or video game or whatever. Take it and slow down sound on your computer sometimes you can hear it for yourself. Just Try It OK I was once a non believer

In Irresponsible Hands

Governments don't perform atrocious acts:PEOPLE in governments do! Mind Control,like any INVENTION, WILL be used by these "polished criminals" in thier quest for mega-riches & power . A MIND without a CONSCIENCE is DANGEROUS!
