Regarding "Military Psi Programs" - Latest First

The bible and remote viewing

The spirit is eternal and created. Remote viewers are in danger of encountering otherworld hostile entities (demons). The only true defense against such spiritual enemies of mankind is the shed blood of Jesus Christ applied to a repentant human soul. Great deception looms here. Seek God.

SRV

Organisms?!? Do people READ?!? We are more than we appear to be, and most of us KNOW it. RV is just a normal spiritual process, akin to super-intuition. RZV'ers just train to focus their attention of this particular aspect of personality, instead of, like the rest of us, training to ignore it.

Remote Viewing explained

How this is done is an organism is put in your head (transported in anti-time) and concentrates on the dream function of the brain. Just as you dream with remembered moving images, with Remote Viewing you close your eyes and can see incoming moving images that the organism receives at a low hertz range (still existing somewhat in anti-time). The picture is clear but the color contrast is somewhat distorted from my experience. Now I wonder if my dreams are my own or are implanted to try to influence me.
