Regarding "Psychokinesis" - Latest First

[This power of controlling the light force a have used](#)

I have used this power to control the energy field around me. Like the energy of a light lamp. I can pull the light energy and the light goes out. It is the energy in the body. Anyone can have this energy it is very simple.

Psychokinesis. A state of mind at everyones grasp??

Is psychokinesis a coming of age?, an evolutionary step, or is it and other psychological phenomena a marker for the return of the Satya Yuga (golden age) an enlightened era? If anyone is willing to share some knowledge on the mystery of the mind or anything relating remotely to this subject, please mail.
