Regarding "Telepathy" - Latest First

### Research and questions

I'm doing my research paper on telepathy. I really want telepathy,too. If anyone is telepathic or can answer any questions for my research paper please e-mail me.

hmm

I think maybe it's the other way around. That we are only beginning to develop this ability. That maybe it's the next step in our evolution...to be able to converse with one another in concepts rather than spoken language would seemingly bring an end to all misunderstandings. Has anyone seen Lain?
