## Reader Comments

Regarding "Native/Aboriginal Wisdom" - Latest First

### Fraud, Fraud and more dirty Fraud

As an Indigenous Australia, not only is this book an insult, but it also represents another example of cultural mis-appropriation by greedy misguided individuals. My origins are ancient, but they are still strong! "We HAVE survived the whiteman's world and you know that you can't change that!" Anyone interested in REAL aboriginal culture best go to the source rather than this charlatan.
