Regarding "Prophesies of Nostradamus" - Latest First

Do not be deceived!!!

How can people take the prophesies of Nostradamus as if they were the true source of fate for the world? It says in the Bible that in the End Times many people who don't have Jesus in their lives will be deceived and misled by the teachings of false christs and prophets. If these predictions are somewhat true, they're just fulfilling what God had already written in the Bible. The catch? Read the Word of God and take His word for it!!!

The prediction has been prevented...

Regan had "psychic" aides, Bush too. Both bombed the \$h1t out of the middle east once a negative and strong force arose. We made allies with Israel, negated the power of Iraq, Libya, Bosnia, and the Serbs. The government has done all in it's power to destroy the possibility of any "antichrist" foretold by Michelle. Could the government tolerate losing all the power it had accumulated over 50 years. No.

It is Time

and I am come. Do you want to see the future? I will tell you that a time is upon us, A time of great change..... It could be called an appocalypse. It will be known however as A beginning. Love your brother because you can, it is a mighty gift. If you betray it, it will be taken away. It was not easily given. I am the KING OF THE SPIDERS AND I HAVE ARRIVED.
