Regarding "Reincarnation & Past Lives" - Latest First

Past Life

30Years my wife was making bread when my daughter walked in. My daughter all of a sudden stated telling here mother about when she was here before. How she used to make bread. My wife and I starteled and not wanting to hurt our daughter did not question her. You see at the time my daughter was only a year and a half old. Over the next several months my daughter would react to some stimulus, smell?, and tell her mother stories about being here before. Out of the mouth of babes?

Ouji Boards and Past Lives

Recently I experimented with Ouiji boards with my friends and boyfriend. His most recent past-life character was a guy with the last name Wagner who served in the 2nd World War and I had the last name Watson and lived in Knights Bridge London. If past-lives aren't real, then how did I know what area of London I came from if I never even knew any names of London's suburbs. A sample of a question we asked Wagner was q: Can you still speak or spell to us in German. a: No Languages. I speak through Steve (Steve being my boyfriend). Apparently he has lived 34 times and I have lived 10 times already. Now I'm on a mission to see if these people really did exist.
