Regarding "Reverse Speech" - Latest First

A servant of good if there ever was one.

David Oates pioneered Reverse Speech and for the first time in humanity's history the average man or woman in the street has a tool they can use to understand their inner nature. David is the real Macoy and if some late-night show host's don't like the fact that some of their so-called remote viewers are liars, then that is just too bad. David will reverse anyone, anytime and from that we have the TRUTH.
