 - "The Paradigm Clock" is dedicated to supporting and acknowledging the work of researchers and activists in the field of extraterrestrial related phenomena. The clock itself is modeled after the "Doomsday Clock" first published in 1947 by the "Bulletin of Atomic Scientists". Midnight on the "Doomsday Clock" meant nuclear war had begun. Midnight on the "Paradigm Clock" means that formal disclosure by the governments of the world of the alien presence has taken place. The clock will move to and from midnight based upon future events. It is currently set at 3 minutes to midnight because
