Dr. Micheal Wolf, Emeritus of The New England Institute for Advanced Research, Member of The New York Academy of Sciences, and Patron Member of the American Association for the Advancement of Science. He was a security consultant for the National Security Council and scientific team leader at Area 51. New book called "THE CATCHERS OF HEAVEN" on Dorrance Publishing that tells the truth on "UFO,s". His qualifications check out, I have checked myself. "Is this man the most important figure to emerge in Ufology in the last 50 years?" says UFO Magazine here in the UK. Please give this man the oxygen of publicity.
