Hesemann on Wolf

From: rich.boylan@24stex.com
 Date: Wed, 11 Feb 98 15:29:33 -0800
 Subject: Hesemann on Wolf

[This relates to testimony from ufologists who have direct knowledge of Dr. Michael Wolf (of MJ-12), because they have visited and talked with him. In addition to the recently-posted strong endorsement by Neil Cunningham, pictorial editor at the British Broadcasting System and UK Director of CSETI, here is a message from Michael Hesemann, editor of the German publication Magazin 2000 and award-winning ufo documentary film producer.

 Dear Richard,

i just come back from the US.

Dr. Wolf is a fascinating character, highly intelligent, highly educated.

He would be QUALIFIED to be what he claims to be. Furthermore, he's a brilliant writer. He does have a large library of medical journals and books, some of them quite old and used, so his claim to be a MD seems possible.

Greetings, Mike
