Wonder Why?

Isn't it curious, not to mention hypocritical, that the various persons who claim to be deeply offended by "alien abductions" are deafeningly silent about the verified kidnapping, rape and torture of innocent experiencers by military/intelligence personnel of the renegade UFO Cover-Up organization.

Since these kidnappings-rapes-torture are done with their tax dollars, their silence must be deemed consent.

And so the obvious question presents itself: if you complainers REALLY cared about victims, why are you not daily filling the newsgroup with these kinds of HUMAN-perpetrated cases and with calls for the government to investigate and halt these abuses?

And a mere single token message will not erase your guilt of double-standard dealing. Unless you EVERY DAY devote as many column inches to paragovernmental abuse as you do to alleged "alien abuses", you speak with a forked tongue.
