Subject: Govt Summons Shamans

Government Planning Gathering of Shamans To Discuss Contacts From the Stars  
by Richard Boylan, Ph.D.

Another stage is being planned in the Acclimation Program, the governmental effort to release information about UFO/ET reality in carefully-planned steps. A long-time reliable informant, who serves as spokesperson for the CIA's top expert on UFO matters, has revealed that plans are being firmed up to create a gathering of representative shamans from the four directions. This colloquium would be to discuss what the various native peoples know about their contacts with beings from the stars.

Identified so far as participants are Incan shaman Eduardo Luna of Ecuador and Lakota (Sioux) Star Altar Keeper Standing Elk of South Dakota. Possible additional invitees include Hopi Prophecy-Keeper Grandfather Martin from Arizona, and the Dalai Lama of Tibet.

The colloquium of star nation shamans would be hosted by the Worthington Research Institute of Massachusetts. The colloquium has been tentatively set for late January, but no firm date or location information is available at this time. It is not yet clear whether this colloquium will be open to the general public. Further details will be released as they become available.
