# the book MILAB

Subject: the book MILAB

Dear Sirs,

attached are the cover and some description of the forthcoming MILAB book!!! Please post this message and the book cover on your Web-side etc..... It is important that the public knows the whole story about alien abductions!

best regards  
Dr. Helmut Lammer  
The book MILABs by Dr. Helmut and Marion Lammer, is published during April/May 1999 in the USA by

Dr. Helmut and Marion Lammer

Foreword: Dr. Richard Sauder (bestselling author of Underground bases and Tunnels)

MILABs  
Military  
Mind Control and Alien Abduction

IlluminetPress  
see at their Web-side for order informations:  
<http://www.illuminetpress.com>

This book shows for the first time that covert human military agencies are involved in the alien abduction phenomenon! The book is documented with released government documents where everybody can see that some agencies had an interest in secret implant field studies,...since the 60ies, illustrations, photos, hypnosis transcripts of military

interrogation sessions with alleged alien abductees, etc,  
x-rays where everybody can see implants, medical statements  
who back this...

The reader will read for the first time the whole  
story of the alien abduction phenomenon!!!

After reading MILABs the alien abduction phenomenon  
will no longer be viewed as today!!!!!!!!!!!!!!!!!!!!!!

Personal note: I have talked to and corresponded with Dr. Helmut Lammer, a  
scientist with the Austrian Space Agency. His research is far-reaching. He  
makes a compelling case that a number of "alien abductions" are actually  
military intelligence-unit kidnappings. This is a book to read.

Richard Boylan, Ph.D.
