MESSAGE FROM STANDING ELK CONCERNING MAN'S DISTURBANCE OF THE MOON

A Message from Standing Elk

On thursday, March 4, 1999. I met with my Kola, Steve Red Buffalo. He asked me this question, "Tunkasila told me that when the moon dies, there will be no control over the water, there will be many floods". He then asked me, "What do you think it means?" We know the first thought that pops in your mind is usually the answer. The only words that came from my mouth was, "they are mining up on the moon and they have been there for over 50 years, I think they dug a little too deep". I told my kola that we would be going into ceremony and we'll ask the Grandmothers and Grandfathers what they mean. n ceremony Grandmother came to give Her answer. Her dress was torn and tattered; Her body was marred; Her heart was black from the emptiness of theft: yet, even still, She came to bear a message of Love amongst tears and to heal in the steam. Grandmother said, "two-leggeds have mined my blood and stolen the treasures of my heart. Greedy ones have taken for wealth and science.

" I choose to die. I choose to give-away for I love Earth and the children. If you want to help, you may make a bundle for my Spirit; you can help me transition. My bundle is not for doctoring, nor for your concerns; it is for prayer--to my Spirit and for the ways of woman. Keep my spiritbundle pure and until you receive a sign. " In my giveaway are seven tears. Tears will drop to the ocean called Peace. The Woman--La Nina-- will answer; wave will splash; blood of Earth will rise to the surface and boil. Though I die--in death rebirth--a new body will I have, perhaps even twins. If you care, keep my spirit: for, I will keep for woman."

This is a serious message everyone needs to take into consideration, meditation and prayer. I am asking the Spiritual Women Nations of the four directions and the Holy Women Nations of the four races of mankind to go into silence and pray for answers for the preparation. For it is the Women who are the representatives of Mother Earth and Grandmother Moon. Please share this message with everyone and go into your prayer circles and ceremonies because their is much that is coming with this message. There is time to change the outcome of this

violation of Spirit. Please drink water, alot of water during this time, and share the following keys.

1. No more judgment, do not judge yourself.
2. Forgive everyone, learn to forgive yourself.
3. Find peace with everyone, find peace with yourself.
4. Love everything and everyone, learn to love yourself.

It is being said by Many Elders that this time is a very important time for all Women Nations. It is a time of great empowerment if we choose to embrace it and heal ourselves. We as Women thru all time have been and are great visionaries. Much of this power is due to our connection with Grandmother Moon. We were given the gift of nurturing and renewing, the power of birth. Our moontime is a time to reconnect and go deep within. It is in this quiet place that we can receive our visions, tune to our deep inner Knowing. Imagine the knowledge and wisdom of our grandmothers who took this time each moon, 13 times a year for many, many years. It is said the rhythms of our Grandmother Moon are out of Balance. It is said that to help the shift our awareness, we need to return to the 13 Moon Calendars. We can honor our own inner wisdom, our own power of creation and love for all peoples by renewing our connection with our Moon. As Beautiful Women of this earth, take this time each month to go within and pray even if just for One day. Recreate our circles and share our dreams, much healing can be restored. Grandmother Moon and all of us, our caretakers of the ways of women. So Honor each other. For peoples who need some guidance Brooke Medicine Eagle as a verygood video that can assist you but know that this knowledge is already within you.

Latest Revelations from NSC consultant Dr. Michael Wolf  
by Richard Boylan, Ph.D.

Late last week I received a phone call from Dr. Michael Wolf, consultant to the National Security Council's Special Studies Group, (popularly known as MJ-12.) He provided new information, and expanded on some previous disclosures. Wolf expanded on his previous revelation that a secret military spacecraft retrieved an extraterrestrial space beacon, dubbed The Monolith, from its position in space, and brought it back to Earth in 1972 for study. The U.S.'s removal of the powerfully-energized Monolith has caused our Moon to destabilize 2% from its normal axis. This in turn has adversely affected Earth's climate. Top International Security officials in communication with extraterrestrial representatives have requested them to restore the Moon to its proper axis. But the ETs have declined to help until the U.S. restores the space beacon to its original position in space. This is consistent with general ET policy of providing helpful advice, but not rescuing> humankind from taking responsibility and action to correct our previous folly...(an excerpt from a recent e-mail from Dr. Boylan).
