EX-OLYMPIC STAR SUZIE CHAFFEE INVITES STANDING ELK AND OTHER NATIVE ELDERS TO MEET WITH EUROPEAN ROYALTY AND THE POPE TO CELEBRATE NATIVE AMERICA'S GIFT OF DEMOCRACY TO THE WORLD

Dear Standing Elk:  
June 14, 1999

What would the world do without Democracy? European leaders want to honor Native Americans this 4th of July in Monaco, hosted by French Princess Carolina Murat (descendent of Napoleon) in gratitude for bringing Democracy to the rest of the world thru Franklin, Jefferson and French Missionaries. Emergency funding for travel is necessary to take advantage of this amazing opportunity to wake up America! There's a proven link between esteem and health, and the world needs to revive the sacred Indian principles of Democracy (that's become a Corporate Monarchy), like rebalancing the feminine nurturing (especially of Mother Earth) and masculine weaponry, that is critical for our survival into the 21st century. Carolina is inviting dignitaries like Queen Sophia of Spain, who already did a healing about Columbus; the King of Sweden, whose father honored Jim Thorpe as the greatest athlete in the first half of the Century.

We are inviting General Schwarzkopf (who now fights for Eagles, Bears & migration of Buffalo), who stood up for the Utes in Telluride, Co., to become the first ski area in North America to give back the joy of skiing to the tribe whose land its on.

Carolina is asking Prince Philip to host our deligation as we land in London, and join us in leading a ceremony on a sacred Druid energy site in Hyde Park, then to another Ley line in Chartes, to strengthen Mother Earth, on the way to Monaco. There will be approx 15 Native Amercans like yourself, leading the prayers, representatives of the Iroquois Confederacy, Lakota and Pima( Hohokam)-- the 3 pioneers of Modern Democracy-- plus some of our finest singers, dancers and spiritual leaders. The latter are also invited to help write the

"Earth Charter" at a Conference in Assisi Italy on July 8th, on the way to a meet with the Pope to discuss how to better honor Mother Earth.

By assisting Native Voices Foundation in making this first "wake up" tour, we hope it will lead to a grand celebration around the turn of the Millennium, when the whole world may celebrate the great gifts of our Native Americans, that also includes Conservation, Swiss Carl Jung's model of Modern Psychology (resulting in AA), and the Navajo Code Talkers who turned the tide of WWII for the Allied Forces.

If anyone can help complete our funding or help with some airlines seats, please call us at 970- 728-1123.

Native Voices is a partnership of leaders of the Ute, Navajo, Lakota, Cherokee Nations, Telluriders, Aspenites and world leaders like Carolina, co-chaired by Alden Naranjo, Ute Unity and Spiritual leader, and myself, Suzy Chaffee.

In the 70's, fellow Olympians, Bill Bradley, Muhammad Ali and his lawyer and I successfully unified World Olympians to bring back the principles of the Ancient Games that saved the Modern Olympics and made the joy and health of Olympic Sports available to all. In unity we can do anything! Standing Elk, thanks so much for your prayers, inspiration at Telluride's Star Conference, and timely assistance!
