FRESH NEWS FROM NSC POINT-MAN

reported by
Richard Boylan, Ph.D.

An end-of June telephone conversation with Dr. Michael Wolf [1], a consultant to the National Security Council's Special Studies Group, brings fresh news and encouragement about the government's Acclimation Program of preparing the public for official acknowledgment of extraterrestrial contact.=20

Dr. Wolf has been in communication with two top officials of the Special Studies Group, (popularly known as MJ-12), a General and an Admiral. Wolf has been trying to convince General "Bob" and Admiral "X" that a total Cover-Up is no longer needed, and that the public is ready to handle news of ET reality.=20

Now Dr. Wolf reports that his pushing has been successful, and has resulted in these top officers' authorizing a speed-up in the Acclimation Program. Dr. Wolf also excitedly shared that this effort "has support in very high places" in addition to the Special Studies Group.=20

His National Security Council associates have directed people at the highest levels to Dr. Wolf's book, "The Catchers of Heaven"[2]. This book, written in a highly personal and literary style, delivers an amazing level of insider information about the government's ongoing contacts and collaboration with ETs, including Dr. Wolf's working side-by-side with extraterrestrial consultants at secret underground installations [3]. President Clinton, Vice-President Gore, and scores of NSA and CIA officials are reading it. And they are in agreement with the central message of the book: we cannot leave a sickened dying world to the bright young crop of children now growing up. We must take responsibility, depart from toxic industrialization, utilize nonpolluting new technologies, many based on ET information and knowledge.

Another important factor helping the cause of UFO Disclosure is the "new blood" moving into policy positions within NSA and CIA. As the old ultra-conservative Cold-War generation of Intelligence officials depart or die off, these younger National Security policy-setters are saying, "Yes, we have to integrate this knowledge of cosmic visitors and what =
