Dear Glenn:

We are very pleased to announce our association with the CNN Sattelite Systems located in Atlanta, Ga. We were picked up by a CNN Affiliate, Mr. Tom Cayhill, at our last UNIVERSAL UFO EXPO program, at the BURBANK INT'L HOTEL EXPO, last September, 1994.

Needless to say this is a bold undertaking for us all and at this time there are already 100 major new age personalities, signed on for the new "ERA" Program, including, The Edgar Cayce Foundation, Brad Steiger, Al Bielok, Gabriel Green, Frank Stranges, Ed Walters, Vance Davis, Travis Walton, Gordon Michael Scallion, and the hostess will be actress, writer, Shirley Mc Laine, and of course, yours truly. The past 4 or 5 seasons has been a very strong period of development of many of our messages, which many have been suppressed by "shadow government" groups, however, with the advent of LARRY KING LIVE (CNN) show from the Nevada desert, last season the directors of CNN in Atlanta has seen its way clear to stage a major new age event, "ERA", which will be down-linked to most major cities in the U.S. and around the world. Most all the cities we've indicated in the enclosed schematic will need facillitators for the major event. If you are more inclined to stage a NEW AGE EXPO, in your city please indicate that to us in your communications. Most of you are already signed on to this event in New Orleans, this June, 14, 15, 16, 1996. For those selected to appear all expenses will be met by CNN, and a 3 day stay at the prestigious Raddison Hotel (****), in New Orleans, hosted by CNN group in Atlanta, Ga.

We have all endured the growing pains of the last decade and now its time for us to share with the entire planet all the wonderful messages that have been unduly suppressed by the past half century. I'm looking forward to meeting and sharing all this information with the planet this June.

Do keep in touch, and if interested in the ERA program contact:
