Regarding "Ewen Cameron" - Latest First

Oh My God!

I find this subject extremely discouraging. I have found out from some of my sources this brain washing techniques are still being used across the world. I have found out almost all of these institutes (besides Mc Gill Univercity) are funded by the CIA. The idea of even having human guinea pigs is beyond dispicable coming from the intelligence of our human nature. I find that we (the human race) shouldn't have to conduct such experiments to gain information that we already know. Eewn Cameron was a person that had hopes and dreams but they were just directed in the wrong way.
