## Reader Comments

Regarding "Criticism of Glenn Campbell" - Latest First

### Glen Campbell is fair - what's the problem?

I accessed this site because I'm a writer and I am currently reviewing Vegas and "day trips", Rachel included. There's so much reading material, I only scanned much of it, but my conclusion is Glenn is a talented and witty writer, who is, above all, fair - including comments from his "enemies" and admirers, alike. How do I e-mail Glen?

### Dreamland Dreamers

Campbell and Lazar amongst others hanging out in the desert near that godforsaken Little ale in or what ever its called Its clear the sun has fried your brains or the plutonium has rotted your minds. There is nothing out there to find except the interiors of you twisted heads. Get some rest and worry about the real issues such as cures for cancer world famine. Lazar especially no qualifications why are you people so gullable? Rest up!!

### Campbell - The great one

The sheer depth of research involved in this website - produced of course by Campbell - is testament in itself to the decency and hard working nature of the man. Get off Campbell's back - he's a genuine good guy. Concentrate on those who are clearly jealous of the great one - 'Morton the gloryseeker' springs to mind.
