Regarding "Glenn Campbell" - Latest First

Glen Campbell is fair - what's the problem?

I accessed this site because I'm a writer and I am currently reviewing Vegas and "day trips", Rachel included. There's so much reading material, I only scanned much of it, but my conclusion is Glenn is a talented and witty writer, who is, above all, fair - including comments from his "enemies" and admirers, alike. How do I e-mail Glen?

Campbell - The great one

The sheer depth of research involved in this website - produced of course by Campbell - is testament in itself to the decency and hard working nature of the man. Get off Campbell's back - he's a genuine good guy. Concentrate on those who are clearly jealous of the great one - 'Morton the gloryseeker' springs to mind.
