Regarding "CIA" - Latest First

cast away illusions

The CIA is dedicated to protecting the interests of rich people both domestically and overseas. They don't care about you unless you are determined to be free and to support the freedom of others, such as revolutions that occur abroad. They exist to kill, destroy and topple any overseas threat to US imperialism.

-- Dander 1/20/00 (#4)

What Ever?

If someone just comes out and starts accusing the government of something, what are their incentives? Why blame people who are trying to maintain security for the planet for things that are not a problem? Just raises suspicion. What does the C.I.A. know anyway?

CIA Report is Bogus

The suggestion that the U-2, which flies at high altitude, or the SR-71, which requires hundreds of miles just to make a U-turn, resembles *what people were actually reporting* is something only a New York Times reporter could swallow. Neither the U-2 nor the SR-71 were operating at most of the locations and altitudes where UFOs were being reported.
