Regarding "CIA interest in Mind Control" - Latest First

[See! I am..](#)

It is abbreviation "see,I am..." or shin,iod,aleph=311= nonwomen organization, bvecause mem,shin,aleph/iod/ are the triangles of G-d eye. Mesia. There is transforming mem to iod, so it is men, the arrow in the vibration elight and poining finger. It is punishment of G-d without Mercy. oxo.ura

### Mind Control via suggestion

Mind Control is possible and is currently being done by extra-terrestrials in time ships. Once they locate you they put an organism in your brain (transported via anti-time) that receives and gives brain waves or thoughts. The extra-terrestrial also has an organism in their head that communicates at a low hertz range with the one in the specimen.

## unauthorized psychosurgery

I am looking for former patients of Dr. Harold Hoffman who have been operated on during the late 60's and early 70's. As a former unwitting experimental subjects of this doctor, I do not take kindly to unauthorized removal of brain tissue showing no pathology, and the trespass of 43 'U'shape metallic implants. I certainly recall many patients in ward 5-G with various forms of cranium incisions, and question how many other parents and children were misled into unauthorized psychosurgery, a procedure which is designed for altering behavior and emotion, not seizure control.
