Regarding "Alex Collier" - Latest First

Alex Collier On "Sightings"

Alex Collier could be heard on 1090 KOTK's radio program called "Sightings" which is hosted by one Jeff Rense. Mr. Collier was heard on the program in late August of '98. As to whether or not he is "real", well he's definitely someone-- He is the author of "Defending Sacred Ground", and can be found on the web in various places. After hearing him on Sightings, I'm very interested in hearing more of what he has to say!

Alex Collier is VERY REAL

I attended one of his lectures at Yelm Washington last fall. Check him out for yourself. He has a very convincing presentation.

Does this person exist?

I have no evidence that this person exists. These documents are found on the murky trufax.org site, so Collier could be one of the many aliases of John Grace.
