Regarding "Bill Cooper" - Latest First

Knight in Shining Armor

William Cooper is one of the most important Men in the history of the 20th century, perhaps all of mankind. With what he has learned, and more importantly, shared with us all. To do everything in his power to make sure the deepest darkest truths are known, explained and understood with an attack plan to right that which is wrong and to bring Justice to those who chose to continuously trash THE CONSTITUTION OF THE UNITED STATES and THE BILL OF RIGHTS.

Cooper: Real or Fraud

Former Director of Quality for the NSA. Why did he come on line and ask what I was looking for. Why did I have visitors and phone calls. AIDS...man made. Bill Cooper...in this aspect, Real.

What is it going to take

When I first was introduced to William Cooper I thought he was a flake, but now after some initial research and self fulfilling events, I consider him to be more like a SNOW BALL and he is getting bigger every passing year. What is it going to take for the mainstream to give this guy some credit. I pray that this snow ball dose not hit you right in the face because you will have only yourself to blame. HE IS NOT A FRAUD NOR AN AUTHORITY HE IS SOMEONE WHO HAS YET TO TELL A LIE TO US AND BE CAUGHT AND THAT IS MORE THAN I CAN SAY FOR OUR PRESIDENT. IT IS TIME TO LISTEN AND PREPARE , I THINK WE OWE HIM THAT MUCH. COAL@BRIGHT.NET

[An educated mind is a protected mind.](#)

There has been much debate over the last few years, about whether or not William Cooper's claims are valid. There have been lots of bashing going on(some reseachers trying to discredit others). I see no sense in this kind of behaviour. I think if only 50% of what Cooper claims is true, it's a 50 % that everyone would have a right to know about.
