Reader Comments

Regarding "Cliff Crook" - Latest First

World's First Bigfoot Tracker/Investigator

Investigation is separating fact from fiction. It is a search for the truth. When it becomes something else, it should stop. My search has been in peaceful pursuit since 1956. No creature should be captured or killed just to prove it exists. That has been my position since the birth of the Bigfoot Search in 1956 and so remains.

-- Cliff Crook (BigfootCentral@bigfoot.com) 3/12/99 (#1)
