Sollog is not John Ennis

Sollog is LEGALLY CALLED either Sollog or GOD ALMIGHTY

Even US Federal Judges acknowledged Sollog as GOD ALMIGHTY when he
appeared in their courts

It is pronounced SO - LOG

no so LAG

Sollog is not an ex con, he is not an ex mental patient

Your article links to such bullshit is LIBEL

Sollog's attorneys have been notified and they will sue you for linking
or posting such BULLSHIT

Many people hate Sollog because of what he has revealed about
Christianity

There is TONS of PROOF he has displayed a PROVEN ABILITY to predict the
future

IE

You can take the 100K challenge, prove case 96CV 1499 is a hoax and that

exact info on TWA 800, Valujet 592, Diana's Death and Clintons injury were not posted in said case in early 1996 and you can claim 100K from ASSI the publishing company owned by ASI

We have 1000's of PAYING MEMBERS

The case is real and so are the documents

Now correct your page and any info that is INCORRECT and linked to by your service will be deemed to be libelous

You were told to remove the libelous links from your page and failure to do so will result in your service being sued

YOU ARE RESPONSIBLE FOR THE LINKS if you were notified they are libelous

Shalom
