Regarding "Gerald Ford" - Latest First

More Blunders ...

For Pity's Sake, If you can't say something positive (with respect to the Republican Party), why say anything??!!! There is an election coming up and we need all the help we can get - and this definitely will not help! Gerry won't deter any Republican votes, but he sure will give grist to the Democratic 'spin' mill! I can't help but feel that there are millions of Republicans wondering 'Whose side is this guy ON?'. Thank Again, Gerry ... You do it so well! nickp
