## Reader Comments

Regarding "Richard Gall" - Latest First

### Inspired Genius

I have known Richard personally for over a year and he is one of the most inspired, genuine people I've ever met. His true dedication and interest in UFOlogy is remarkable. He investigates and reports UFOs and all like phenomenon with an open, intelligent and keen mind, never clouded by the all too common public opinion that UFOlogy is 'crazy' and that are no such things as UFOs or aliens. His professionalism and respect for others allow him to never judge or criticize. I'm truly proud to say I know Richard and I'm proud of the work he has done and continues to do.
