### Thank you for noticing

After millions of years, my creations have finally stated some truths about me. Thank you. Naturally, I know who you are and you have nothing to fear. Please know that I abhor organized religions, they are each and every one an insult to me.

### Seek and you will find truth about ALL things.

UFO,s are real to those who believe. Facts are facts just as truth is truth. People will believe what they really want too. Anger, hatred, violence, compassion, love, and tenderness can be controlled when a person seeks for their desires. Just as UFOs come in view with different shapes so do many people the shell is not what moves it. It is to bad so many things in life are not what they seem. The universe is only part of our being, earth, and God are one. Just as hell is hell. It is all about choices, truth or lies. I believe in truth.
