"Dr. Greer is an emergency physician and former chairman of the department of emergency medicine at Caldwell Memorial Hospital in North Carolina. Dr. Greer, as director of CSETI, has led research teams throughout the world investigating the existence of ETI, and on several occasions has successfully established preliminary contact and communication with extraterrestrial spacecraft at close range. He has met with and provided briefings for senior members of government, military and intelligence operations in the United States and around the world, including senior CIA officials, Joint Chiefs of Staff, White House staff, senior members of Congress and congressional committees, senior United Nations leadership and diplomats, senior military officials in the United Kingdom and Europe, and cabinet-level staff members of the Japanese government, among others."
