Regarding "Groom Lake Interceptors" - Latest First

[Interceptors](#)

Not much going on with the Interceptors or Area 51. The story's pretty much over until they declassify the base. If you have any questions or want info or whatever check out <http://www.area51phx.freeservers.com> and members.aol.com/area51hq. Have fun hunting!

What's going on?

When are people going to get WISE about Area51. A \$30 Billion Fund (Black Budget) is allocated to the Air Force. There is only one, out of a possible two things, that is going on there! 1: Back Engineering Extraterrestrial Technology. 2: Inventing New Technology on a Need To Know Basis.

ufo's

i saw a ufo last night. it was round and was making wierd noises i tried to shoot it down but the bullets just bounced off. i could see little people looking at me.

What's going on?

What is going on at AREA51. If the government deny any unusual activities why is it a top secret research facility. Why have anonymous people come down with the Hantavirus and a deadly rash. They are breathing in deadly smoke of a grey colour, which is coming out of large trenches, which are burning unknown material. If anyone knows what is going on I would appreciate it if they would come out and let us suspicious citizens know what is really going on. THIS MAY BE OUR FUTURE.
