### Two Jesus'

My research has shown the distinct possibility that there were in fact two or more who were called " Jesus" ,Jesus The Christ AKA Savior Bringer of victory and Jesus Bar Abbas AKA Savior son of god .Far too many so called Christians take the word of their preachers and follow blindly the nonsencicle ramblings of their churches .If they would just do the work and seek the truth they would find it . They Bible only tells the favoured version of things but many other cultures recorded the events mentioned in the chapters and verses of the book .By researching them all and comparing the common elements one gets a much clearer and more provable version to go on . **MY FRIEND GOD**
