[Disrespectful Posting my private emails and phone number](#)

Apart from all of the confused and totally incorrect information about me and my background as was provided by all forms of the Media, I visited Glenn Campbell's UFOMIND, as I had communicated with him many times in the past. Here, we see that he has posted ALL of those emails, including our PRIVATE home phone #, which I had given to Glenn, asking him NOT TO GIVE IT OUT. So, he posts it for the world to see, and for 'cranks' to call us and hassle us at all hours of the night. Thanks, Glenn, for showing everyone my harmless emails to you. I regret that you broke your word by listing my phone # for the world to see. 'Dirty trick, from a confused want-to-be. Jason Leigh
