Regarding "Tom Mahood" - Latest First

Who is this dude?

Whether playfully ribbing Michael Wolf about the death of his family or sifting through garbage in the desert looking for little pieces of metal with "really official looking writing" on it, Mr. Mahood never veers from his uncompromising research (i.e. criticize EVERYONE). If only we can keep him from dressing like a mentally-challenged Mountie! Seriously though, who the hell is this guy? Why is he on this page?
