Regarding "Howard & Connie Menger" - Latest First

### [An man endowed with a message from UFO people](#)

As a friend and associate of Dorris Van Tassel , I learned personally over hundreds of hours of conversation with her just how important Howard and Connie Mengers contacts with Light Beings were.She told me that I would someday come to assist and promote to the public their life and work.That day is here.

### ["Howard Menger, Contactee"](#)

I have personally known Howard Menger and his wonderful family for over twenty years. Howard has lectured on technology with his wonderful wife Connie,numerous times at the Vero Beach Library, for the FURST Group. I consider them gifted yet "ordinary" people who have had an extraordinary experience. God bless them for holding on to the truth in spite of the ridicule and debunking program the government has encouraged people to believe for so long.

### **TRUTH**

Howard Menger rules! I read all his books, "From Outer Space to You", "Threads of Light to You", "The Highbridge Incident", and now they're published in Germany in the German language. He doesn't need to prove anything with me. The man's a righteous being, and one of the last TRUE contactees. Raise the Roof Menger! God Bless!

### **i'm from Howard's home town in N.J.**

I was in high school at the time of events in question,and did see some questionable movement in the sky in this area in the fall of 57.
