Regarding "Sheldon Nidle" - Latest First

[new web site address for Sheldon Nidle et al](#)

Please refer to the new address for any info about Sheldan and his group in Maui... Also, I just have to comment as a sidebar that I was surprised to see a link listed here to the Amazing Randi, along with Shel's link. "Randi", is and has been for quite some time, sort of a sad excuse for a "debunker". If people like my brother weren't around to give him "something to do", Randi would have to still be in a cheap nightclub act...Oh well this little blue planet is made up of many different people....Thank you for the space, and the reference to my brother's work.
