Regarding "Pat Parinello" - Latest First

### THIS MAN HARBORS A CYBER-TERRORIST

As webmaster for Erik Beckjord, this man must be held accountable for all of Beckjord's terrorist actions. He condones the activities of the biggest pest on the internet. The FCC should shut californiamuseum.com down and the authorities should investigate this man immediately. He is about as goofy and crazed as Beckjord is with his delirious theories and his alien breast implants. One day soon he will be held responsible for the stalking and harassment enacted by his "comrade".
