Lost World of Nicholas & Alexandra

A wonderful table book filled with nostalgic photographs and detailed history of the Romanov's, including a section on Grigori Rasputin. Check out Peter Kurth's book: Lost World of Nicholas and Alexndra. \$60.00 published by Madison Press, 1995. It was recommended to me by a friend and I find it to be the best book I ever purchased. Very well done!

[MARIA AND VARDYA RASPUTIN](#)

Hi, I'm doing a research paper on Maria and Vardya Rasputin (Gregory Rasputin's daughters) and it is impossible to find information. I'm particularly looking for Maria Rasputin's autobiography (Rasputin - the man behind the myth)which was published in 1977 by Prentis-Hall. It's currently out of print so if anyone knows where I can get a copy or any other info please, please e-mail me at: ftobin@gillmacmillan.ie Thankx!

Rasputin Historical Impact

Some of the people looking for information on the historical impact of Rasputin might find a book by Dr. Armand Quick to be of interest. I don't have the title handy, but he was the developer of one of the major blood clotting tests --- and was always fascinated by the impact of clotting disorders on history. His last book before he died was a series of essays on coag disorders in history --- Victoria as hemophilia carrier, Tzarevitch Alexei as hemophiliac and Rasputin as hypnotherapist all get discussed...
