## Reader Comments

Regarding "Jeff Rense" - Latest First

### No Connection

There is no connection between the Sightings television show and the radio program hosted by Jeff Rense. According to Mr. Rense, the "Sightings" name is used by arrangement with Henry Winkler. There is no affiliation or association between the two shows. Mr. Rense's program is a unique, distinct entity. A news and educational resource which is challenging, and much appreciated.

### What happened to David Oates?

Geez! A little heat in the kitchen with Bell, and Oates it outa there! So much for loyalty to friends. You can't keep kissing Art's butt forever, Mr. Rense

-- Jason 6/7/99 (#4)

### Sonny is a disinformation volunteer.

Calling Jeff Rense a disinformation agent, is in itself disinformation. Don't make wild claims against strangers when you have nothing to back them up with. Take responsibility for what you say, or what you say may become true for you. Regards, Ted Oliphant III

### Rense is a disinformation agent

And takes money from the government to keep people confused.
