Contactees

People who believe they have been physically contacted by aliens, but not taken or interfered with against their will. Also, groups and research relating to contactees.

For inclusion on this page, the experience must have been voluntary and involved (claimed) physical contact, not just psychic or spiritual contact. The person must be a willing participant in the contact. Links added to this page may refer to various "Contactee" movements, especially of the 1950s and 60s, but also positive-contact movements of the present day.

need to contact a pleadian messenger

They were asked by a former contactee once how the universe was created but did not know who the creator is. I know who HE is and can tell you. If you would be kind enough to contact me, either by e-mail or by psychic means, I will be waiting. Only real Pleadians need contact me in confidence. Wallace. (Vaikuntha).
