Hypothetical Character

Fictional characters or those whose is known only through one other ufologist and whose existence has not been proven. Both can be included in this database if they have had some real influence on the UFO field.

This page can be used for anyone whose very existence is in dispute, not just their claims. It is appropriate for someone who is know only by an alias.

See [Disputed Credentials](#) for people who certainly exist but whose credentilas claims are questioned. See [Allegations of Hoax](#) for claimed UFO hoaxes, which may also involve hypothetical characters.
