Regarding "Claimed Government Insiders" - Latest First

COL Halt in Bad Company

Certainly COL Charles Halt does not belong in this rogues' gallery of puffed egos and outrageous claims. After attending the Fund for UFO Research conference on 25 Aug 1997 where he spoke, it is obvious he makes no claims of inside knowledge of government activities. He was a UFO witness with other military. He recorded what he saw nothing more. Neither he nor the other witnesses, to his knowledge, filed any official government reports.
