Regarding "Satan" - Latest First

### The Antichrist

I think I know who the next Antichrist is. If you remember the word anti, which means opposite, and look at who he named, as the antichrist, (mabus) Now if you print that name in all small letters and face it toward a mirror, in the mirror you will see the name sadam and except for one letter, that man already exist. Think about it and give me some feedback.

### LUCIFER- ARCH ANGEL OF LIGHT!

Lucifer came down on his own will to protect the LIGHT, as the Arch Angel of Light-giving self sacrifice attributes to earth. Satan and Lucifer are not the same. Satan was governor of earth to protect us from evil. Lucifer was the same Master Admiral Byrd meet in the Hollow Earth! And being of Light in Spear of Destiny! Later incarnated as Luke, the healer,-Martin Luther. Like other Angels or aliens, a highly interdimensional form of man as we will evolved too eventually.
