- [Operation Clambake: The Fight against Scientology on the Net](#) - Critical of Scientology with extensive, up-to-date collection of documents and links. - Language: Bilingual - **Dissenting** - By Andreas Heldal-Lund <1/19/99 #6>
Heidal-Lund: Why I do this [maintain this site]? What really made up my mind was Hubbard's strategy of scaring the shit out of all critics (the "fair game" doctrine). They may manage to scare me until I wet my pants, but they'll never scare me into giving up what I believe in. I'm stubborn, and damn proud.

Excerpt: If the Church of Scientology believed in a Devil, he might look a lot like Jeff Jacobsen. The mild-mannered, single man of 43 seems hardly satanic in appearance. Tall and reserved, Jacobsen seems about as dangerous as a church mouse; it's hard to believe he's the archnemesis Scientologists make him out to be.
- [How Do I Learn More About Scientology?](#) - The Church of Scientology offers various introductory services for those who either want help with current problems or simply wish to explore the subject. - Supportive <1/29/99 #10>
Excerpt: Introductory courses and activities provide much insight into the basics of Scientology and furnish data one can immediately apply to improve one's life.
