"The Supreme Court Monday refused to revive a lawsuit by television evangelist Robert Tilton's church that accused ABC News and a nonprofit group of conspiring to drive the church out of business."

"Like many a good religious joke, it all started with Robert Tilton. Back before the Dallas-based televangelist fell from grace, his television show (which generally consisted of Tilton endlessly pimping the usual salvation-for-cash pledge-drive scheme) seemed to draw a surprising number of secular viewers, most of whom were lured by the prospect of witnessing Tilton's hilariously entertaining penchant to speak in tongues - shameless grift as lowbrow entertainment."

Regarding "Robert Tilton" - Latest First

Christians

as all of you say watching Tilton may quite a show, but after reflecting on the issue i found that the damaged done by this man is to big for comfort, many out there are watching him and his image may be also imposed on all other christians, so my advise is to star praying for him so that he may be turn from his ways and really know Jesus.

Bob Tilton cracks me up

This guy is a bloody comedian. He's on BET at 1:00 PST weeknights. That speaking in tongues shit is hysterical!

Tilton is pure Evil !!!

Tilton and his ilk, only serve to bolster my belief that religion is the one and only true evil that has been a plague upon mankind throughout recorded history. Tiltons testimonials, which deliberately target downtrodden and weak people who have fallen upon hard times, are the most vile and discusting schemes I've ever seen.
